Rolling Resistance

THE PERFORMER lives up to its name....

While maintaining a cool running temperature, the special compound ensures;

- Low heat build-up in normal operating conditions
- Good tensile strength and durability
- A smooth and comfortable ride
- Good tire life and wear resistance

...every single time.

Our creel bead technology ensures secure and safe fitment to all forklift wheels and rims. THE PERFORMER is available in a full range of sizes in standard as well as clip-type tires.

LIMITED WARRANTY

All tires manufactured by Global Rubber Industries (Pvt) Ltd. are covered under limited warranty against materials, workmanship and any other manufacturing defects subjected to the usage of these tires under specified conditions. If any tire covered by this warranty is identified as unserviceable tire due to a material / workmanship /any other manufacturing defect, we will either repair the tire or make an allowance on purchase of new tire as per the current price of a new tire by the percentage of original tread worn off at the time of making the claim.

The cost of transportation, service, and sales tax already paid will be borne by the owner of the claimed tire. This limited warranty is made for the exclusive benefit of the tire owner actually using the product. No other warranty of liability, expressed or implied, is applicable to this limited warranty or to our products.
