

GREEN EX

IR 200 (R1-W)

HIGH PERFORMANCE

IRRIGATION R1 BIAS TIRE

New tread design with optimum dual lug angles, designed for optimal use in irrigation equipment. Its land to sea ratio and innovative tread design offers excellent soil cleaning and reduces crop and soil damages with improved field movement in pivot irrigation use. The increased number of lugs provides high traction and stability.

GREEN EX IR200 is best suited for...

- Improved lug stability and crack resistance, benefitting from its unique tie bar design
- Usability in constantly wet conditions with exposure to the atmosphere, owing to its special tread compounds
- Strong sidewall construction increases cut-resistance and reduces downtime

LIMITED WARRANTY

All tires manufactured by Global Rubber Industries (Pvt) Ltd. are covered under limited warranty against materials, workmanship and any other manufacturing defects subjected to the usage of these tires under specified conditions. If any tire covered by this warranty is identified as unserviceable tire due to a material / workmanship /any other manufacturing defect, we will either repair the tire or make an allowance on purchase of new tire as per the current price of a new tire by the percentage of original tread worn off at the time of making the claim.

The cost of transportation, service, and sales tax already paid will be borne by the owner of the claimed tire. This limited warranty is made for the exclusive benefit of the tire owner actually using the product. No other warranty of liability, expressed or implied, is applicable to this limited warranty or to our products.

Business today is complex, ambiguous and uncertain – a little like life itself. To help you advance and attain your goals, you need something that is completely the opposite. GRI tires are robustly engineered and relentlessly tested to give you assured performance, so you can get a grip on things that really matter to you. Whatever your ambition, GRI will get you there.
