

GRIP EX

GT333

HEAVY DUTY GRADER TIRE

Especially designed for heavy duty graders utilized in harsh grading applications, its special tread compound provides high resistance against wear and cuts. The multi-directional tread pattern provides excellent traction, while the broad horizontal lug and tread design allows increased lateral movement on rough surfaces, for a better grip.

GRIP EX GT333 is best suited for...

- Extraordinary resistance to impacts and shocks in heavy-duty operations, owing to its strong casing
- Increased lug stability and support in resisting lug base cracks, provided by its wide center tie bar
- Excellent cut and puncture resistance

LIMITED WARRANTY

All tires manufactured by Global Rubber Industries (Pvt) Ltd. are covered under limited warranty against materials, workmanship and any other manufacturing defects subjected to the usage of these tires under specified conditions. If any tire covered by this warranty is identified as unserviceable tire due to a material / workmanship /any other manufacturing defect, we will either repair the tire or make an allowance on purchase of new tire as per the current price of a new tire by the percentage of original tread worn off at the time of making the claim.

The cost of transportation, service, and sales tax already paid will be borne by the owner of the claimed tire. This limited warranty is made for the exclusive benefit of the tire owner actually using the product. No other warranty of liability, expressed or implied, is applicable to this limited warranty or to our products.

Business today is complex, ambiguous and uncertain – a little like life itself. To help you advance and attain your goals, you need something that is completely the opposite. GRI tires are robustly engineered and relentlessly tested to give you assured performance, so you can get a grip on things that really matter to you. Whatever your ambition, GRI will get you there.
