

GRIP EX

LT300

HEAVY DUTY LOADER TIRE

Especially designed for Loaders, its special tread compound provides high resistance against wear and cuts. The multi-directional tread pattern provides excellent traction in field and road. The wide diagonal and vertical lugs allow increased lateral movement on hard surfaces for a better grip, delivering superior self-cleaning properties and excellent traction in all weather and service conditions.

GRIP EX LT300 is best suited for...

- Extraordinary resistance to impacts and shocks in heavy-duty operations, provided by its strong casing
- High resistance against sidewall damage
- Excellent wear and puncture resistance

LIMITED WARRANTY

All tires manufactured by Global Rubber Industries (Pvt) Ltd. are covered under limited warranty against materials, workmanship and any other manufacturing defects subjected to the usage of these tires under specified conditions. If any tire covered by this warranty is identified as unserviceable tire due to a material / workmanship /any other manufacturing defect, we will either repair the tire or make an allowance on purchase of new tire as per the current price of a new tire by the percentage of original tread worn off at the time of making the claim.

The cost of transportation, service, and sales tax already paid will be borne by the owner of the claimed tire. This limited warranty is made for the exclusive benefit of the tire owner actually using the product. No other warranty of liability, expressed or implied, is applicable to this limited warranty or to our products.

Business today is complex, ambiguous and uncertain – a little like life itself. To help you advance and attain your goals, you need something that is completely the opposite. GRI tires are robustly engineered and relentlessly tested to give you assured performance, so you can get a grip on things that really matter to you. Whatever your ambition, GRI will get you there.
