

GREEN EX

FL800 HEAVY DUTY FLOTATION TIRE

Featuring one of the widest tread footprints in the industry, its new tread design with multi-lug angle delivers excellent traction on field and provides exceptional flotation properties. The GREEN EX FL800's high center block to lug ratio and wide lug width offers low soil damage and road-ability, while its optimum land to lug/void provides excellence in soil cleaning and longer life.

GREEN EX FL800 is best suited for...

- Superior self-cleaning properties thus offering excellent traction, owing to its unique cross support tie bar and four-layer mud-breaker
- Exceptional sidewall damage resistance as a result of its wide tread design

LIMITED WARRANTY

All tires manufactured by Global Rubber Industries (Pvt) Ltd. are covered under limited warranty against materials, workmanship and any other manufacturing defects subjected to the usage of these tires under specified conditions. If any tire covered by this warranty is identified as unserviceable tire due to a material / workmanship /any other manufacturing defect, we will either repair the tire or make an allowance on purchase of new tire as per the current price of a new tire by the percentage of original tread worn off at the time of making the claim.

The cost of transportation, service, and sales tax already paid will be borne by the owner of the claimed tire. This limited warranty is made for the exclusive benefit of the tire owner actually using the product. No other warranty of liability, expressed or implied, is applicable to this limited warranty or to our products.

Business today is complex, ambiguous and uncertain – a little like life itself. To help you advance and attain your goals, you need something that is completely the opposite. GRI tires are robustly engineered and relentlessly tested to give you assured performance, so you can get a grip on things that really matter to you. Whatever your ambition, GRI will get you there.
